Hiring Manager

Mumbai, India

Dear Hiring Manager,

I am writing to express my interest in the Web Manager position at [Company Name]. With over 10 years of experience in WordPress development, SEO, digital marketing, and web project management, I bring a unique combination of technical expertise, analytical thinking, and leadership skills to drive online growth and performance.

In my current and previous roles, I have successfully managed end-to-end website development, SEO strategy, content optimization, analytics, and digital marketing campaigns. I have hands-on experience with WordPress (frontend & backend), Elementor, PHP, JavaScript, HTML5, CSS3, GA4, Google Search Console, SEMrush, Ahrefs, and Power BI to analyze data and deliver actionable insights. I am also experienced in leading teams, managing multiple projects, and collaborating with cross-functional teams to meet business goals.

I am passionate about creating user-focused, high-performing websites and implementing data-driven strategies that enhance brand visibility, lead generation, and business growth. I am confident that my skills and experience align well with the requirements of the Web Manager role, and I would be excited to contribute to your team.

Thank you for considering my application. I look forward to the opportunity to discuss how my experience and skills can add value to [Company Name].

Warm regards,

Aditya Kadam
