

COVER LETTER

Dear Hiring Manager,

I am writing to express my interest in a position that aligns with my blend of experience in web development, digital marketing and data science. With 10 years as a Senior Web Developer and Team Leader and 7 years in digital marketing (Google Analytics, SEMrush, Moz, Ahrefs), complemented by my recent expansion into data science, I am confident I can bring significant value to your organization.

SUMMARY OF QUALIFICATIONS

Web Development

Custom WordPress solutions, PHP, JavaScript and full-stack development. Proven at leading development teams, optimizing website performance and delivering scalable platforms.

HTML5 • CSS/Bootstrap •
JavaScript • MySQL • PHP
(CodeIgniter, MVC) •
WordPress • Prestashop •

Data Science

Applying Python, machine learning and analytics to uncover insights and support data-informed decisions.

Data Science with R • Python
• Machine Learning • Tableau
• Power BI • Data Science
Capstone

KEY STRENGTHS

Technical proficiency: expertise across a wide range of technologies for robust, innovative solutions.

Analytical skills: interpreting data to drive informed decisions.

Strategic thinking: developing and implementing strategies that achieve business objectives.

Leadership: guiding development teams and projects to success.

WHY I AM A GOOD FIT

I enjoy working where engineering, SEO and marketing meet: researching data, improving processes and shipping sites that perform. I believe my skills in web development, digital marketing and data science make me a strong candidate to contribute to your team's success, and I am eager to apply my expertise to help achieve its goals.

Thank you for considering my application. My résumé is available at the same portfolio, and I welcome the opportunity to discuss my qualifications further. I look forward to hearing from you.

Sincerely,
Aditya Shashikant Kadam
